

September has rolled around again, and you know what that means! Time to dust off those retro lunch boxes and sharpen your number two pencils, because school is back in session at Maxwell Park! It's our EIGHTH annual Back to School theme, when each September our menu features side-by-side comparisons of classic wines from classic grapes or regions, against the lesser known, oft forgotten, and esoteric. We'll be pouring lessons by the glass all month long, so be sure to be there when the bus pulls up, because this is one class you're not gonna want to skip!
